Homework must be submitted each week on a Friday. It will be checked and returned ASAP. If you have any queries about homework please contact Miss Thorpe.

You can present your work in any way you like, but please take your time to ensure you have completed your work to the best of your ability, that you include everything asked of you and that it is presented neatly to a high standard.

Get creative! Great examples of homework tasks will be celebrated in class and will be displayed in school.

Your project should be your own work (help from parents is fabulous and encouraged but the project is yours). Do not submit work copied straight from the Internet/ books (these are brilliant for research but please write in your own words).
