

Name: _____

Descenders

Descenders are the letters of the alphabet that fall below the line. Letters that have descenders are g, j, p, q and y.

Trace and copy these letters that have descenders:

g g g g g g

j j j j j j

p p p p p p

q q q q q q

y y y y y y

Now copy these sentences. Make sure your descenders are the correct height.

My granny enjoys juggling eggs.

Ziggy the puppy yaps at a slipper.

Pippa likes jogging quite quickly.

The queen struggles not to giggle.
