

## Data Summary Preston Primary School

2024

### Reception

In line with the Department of Education guidance, as we have had fewer than 10 pupils in Reception, the data is not published on the school website.

| <b>PHONICS</b><br>(12 pupils, one pupil = 8%) | <b>Preston Primary School</b> | <b>National Average</b> |
|-----------------------------------------------|-------------------------------|-------------------------|
| Working at ARE (Age Related Expectations)     | 83%                           | 80%                     |
| Average Score                                 | 33                            | *                       |

| <b>KS2</b><br>(11 pupils, one pupil = 9%) | <b>Expected Standard or Above</b> |                 | <b>Average Progress Score (KS1 – KS2)</b> | <b>Average Scaled Score</b> |                 |
|-------------------------------------------|-----------------------------------|-----------------|-------------------------------------------|-----------------------------|-----------------|
| <b>Subject</b>                            | <b>PPS</b>                        | <b>National</b> |                                           | <b>PPS</b>                  | <b>National</b> |
| <b>Reading</b>                            | 90.9%                             | 74%             | *                                         | 107.4                       | 105             |
| <b>Writing</b><br>(Teacher Assessed)      | 63.6%                             | 72%             | *                                         |                             |                 |
